INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In compliance with 37 C.F.R. §§ 1.97 and 1.98, and in fulfillment of the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that the references listed on the accompanying form PTO-1449 be made of record and considered with respect to the above referenced United States patent application. A copy of each foreign reference is enclosed.

The references were cited in the European Search Report ('ESR') of the corresponding European Patent Application. This Information Disclosure Statement was previously submitted to the Office on 14 July 2005. However, it has come to Applicants' attention that the July Statement

10/13/2005 DEMMANU1 00000046 140455 10765667

01 FC:1806 180.00 DA

was not in compliance in that it did not include a Rule 37(e) statement. Therefore, Applicants are resubmitting their Information Disclosure Statement based on the ESR together with the Rule 17(p) fee of \$ 180.00 as this Information Disclosure Statement is being submitted after a first Office Action on the merits but prior to a final action or notice of allowance or any other action that otherwise closes prosecution in the application.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made, or an admission that the information is, or is considered to be, material to patentability, or that the information is analogous to the subject matter of the present invention, or that no other material information exists. Further, the filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Written notification that the enclosed references have been considered in their entirety by return of a copy of the enclosed PTO-1449 form, completed by the Examiner, is respectfully requested.

Respectfully submitted,
